**Subject:** Tan's retirement lunch/reception

Tan is retiring from State service September 30<sup>th</sup> and will be moving to Georgia for the snow free winters.

Earlier in the summer, we thought we had a bigger window for Tan's party but his plans evolved to escaping from Massachusetts as early as October 1.

The Drug Lab is setting up a luncheon for Tan this Wednesday and hope his friends in the Environmental labs will join us at 12 o'clock in room 123 for lunch.

We will be preordering lunch plates from two West Roxbury restaurants, Phuket (Thai) and Comella's (Italian.) I'll hang the menus near your time sheets for you to pick a dinner. We will be ordering the food tomorrow. If you participate in the dinner, could you have your choices to us with the money tomorrow by 10:00.

We have purchased a framed print of Boston for Tan. There is a border to the framed print, with space for everyone to write a goodbye message.

The lunch will run from 12 to 1 with some reception time with desserts from 1 to 2. Anyone wishing to bring a dessert is encouraged.

ONE NOTE ON THE COMELLA MENU. THE 'MESSES' ON THE FIRST PAGE ARE GOULASHES OF THE FEATURED FOOD PILE TOGETHER. The second page of the menu has the more conventional plates.

QUESTIONS.....See Mike Lawler
